## **Note on NADA**

Doping is fundamentally contrary to the spirit of sport. The AFI is serious about this issue and is committed to erase this menace of doping. The AFI liaises on a regular basis with IAAF and NADA and other relevant organizations involved in Medical and Anti Doping activities.

AFI is active in providing advice with the aim to raising the general level of awareness on Anti Doping issues amongst athletes and support personnel especially about the health consequences of doping.

AFI plans, implements and monitors Anti Doping information and Anti Doping education programmes. These educational programmes provide updated and accurate information on the following issues like Prohibited Substances and Prohibited Methods in the Prohibited List published every year, health consequences of doping, Doping Control procedures and Athlete's rights and responsibilities. Liaisoning with NADA for Out of Competition Testing and In-Competition testing including Re-instatement procedure of athletes upon whom sanctions have been imposed by Anti Doping Disciplinary Panel of NADA. The athletes and their State Units/Affiliated Boards/National Chief Coach are being constantly updated of the Sanctions and Re-instatement Procedure.

The AFI vigorously pursues all the anti doping rule violations and ensures proper enforcement of consequences.

The AFI also assists the athletes in the IAAF Whereabouts programme on ADAMS. The AFI is in constant touch with IAAF and the athletes including all National Campers regarding this so as to avoid any Missed test/Filling Failure by any athlete who is on the Registered Testing Pool of IAAF.

No National Record is ratified without dope test being conducted on the athlete concerned In-Competition.

AFI is in compliance with IAAF Rules for Anti Doping and WADA Code.

A list of athletes for the period January 2014 to December 2014, upon whom sanctions were imposed by Anti Doping Disciplinary Panel is enclosed and is also displayed on AFI website.
