Note: Athletes tested positive for "*doping*" have been included in a separate row below regular rankings. Also mentioned are 'better legal performances' achieved prior to their reported positive cases in 2018. Final decision in dope related cases are rests with the Anti Doping Disciplinary Panel and/or Appeal Panel. We only report cases known to us so far. The rankings will be rearranged as and when further cases emerge.

This lists are based on IAAF rules for junior competitions. Only those born in 1999 or later have been included in the 2018 Junior (U20) ranking lists.
